ROTARY CLUB OF PALM BEACH (RCPB) – MEMBERSHIP APPLICATION

Application for Membership

Rotary Club of Palm Beach

What would it take to change the world? Rotary's 1.2 million members believe it starts with a commitment to Service Above Self and that's the credo we live by at the Rotary Club of Palm Beach (RCPB).

What is Rotary?
Rotary International is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world. There are approximately 1.2 million Rotary club members belonging to 33,000 Rotary clubs in more than 200 countries and geographical areas. Founded in Chicago in 1905, Rotary celebrated 100 years of service in 2005. The Rotary Foundation has awarded more than US$2.1 billion in grants, which are administered at the local level by Rotary clubs. RCPB is the oldest club on Palm Beach and a leading club in Rotary District 6930. Please visit our website at: ***http://www.rotarypalmbeach.org/***

What is the purpose of Rotary?
Rotary clubs exist to improve communities through a range of humanitarian, intercultural and educational activities. Clubs advance international understanding by partnering with clubs in other countries. Rotary also encourages high ethical standards in all vocations and builds a brand of trust for you and your profession.

What do Rotary clubs do?
Rotary clubs address critical issues at home and abroad by providing health care and medical supplies, clean water, food, job training, youth development, and education to millions of people in need. Over the past decade, the Rotary Club of Palm Beach has awarded more than $420,000.00 in scholarships to local students who earn good grades, demonstrate a commitment to community service and come from families where there is financial need.

Why become a member? It gives you an opportunity to be a part of the great things Rotary does in our community. It gives you a chance to tout your organization and tell people about the work you do in our community and around the world. It gives you an opportunity to help influence the direction our club takes and the projects we are involved in. It gives us an opportunity to know you better, to understand your passions, to get your feedback on how we operate. It gives you a chance to tell of needs our club can address that you may recognize and we may have missed. Please come join our efforts to make a difference in the Palm Beaches and around the world. First of all, come and visit with us for a few weeks for lunch and fellowship with us.

What is the investment? Total quarterly dues are indicated below. A weekly luncheon at our current facility of choice is held up to 4 times per month. We also periodically host a RCPB Happy Hour at rotating locations where you'll enjoy pure Rotary fellowship! There is no application fee for membership. All costs and fees are subject to change.

And the return on investment? For a very reasonable amount of money, you and your organization can be a part of a very select membership in a local and international organization that is dedicated to taking leaders of the community and making them into agents of change. And we have a great time doing it! We are a fun and friendly group of people with hearts to serve others. Be a part of something much larger than yourself and become one of the select Rotarians who are willing to make a difference in our community and around the globe.

Rotary International

Paul Harris founded Rotary International in Chicago in 1905. In its second century, Rotary has over 33,000 clubs and 1.2 million members worldwide honoring the objective of 'Service Above Self' through club, vocational, community, international and youth service as a means to encourage honesty and integrity in business. Our RCPB was chartered in 1953.

A Heritage of Giving

Since its founding in 1953, the RCPB has focused on the giving of scholarships to local students with outstanding academic performance and the need for financial support. Over the years we have established a club foundation and conducted annual fundraisers to support this effort. Since 1998, the club has awarded $440,000.00 in scholarships to deserving students. We are proud of this heritage of giving and we intend to build on it in the future. As a new club member, from time to time you may be asked to support your club in its philanthropic mission.
